**SPECIAL OFFER TO THE CLERGY, SUNDAY SCHOOL TEACHERS,
BIBLE READERS, AND OTHERS.**

Handsomely printed and bound, containing 560 pages of closely printed information.

HOW TO MEET THE DIFFICULTIES OF THE BIBLE

A Handbook of Solutions of Perplexing Things in Sacred Scripture.

THIS book supplies a help which all intelligent and devout Bible readers have long felt the need of, viz, a manual which takes the various difficulties they meet with in reading the Word of God, and gives a reasonable solution to them in an intelligible manner, without evasion of that which is difficult, or may seem contradictory.

It is a most valuable work to those who have to meet the objections of atheists, and who need help from reliable sources to answer the questions which are put to them by those who seek to undermine the authority of Scripture. It will also be of great service to all who have met with perplexing and difficult passages of which they find no satisfactory explanation in their commentaries and Bible dictionaries.

In compiling **HOW TO MEET THE DIFFICULTIES OF THE BIBLE** the author has been particularly careful to give the result of modern scholarship and recent scientific research, so that the reader may feel he is able to meet the objections of the doubter up to date.

Though a large 8vo. volume of over 500 pages, and a book which would ordinarily be published at from 7/6 to 10/6, in order that it may be in the hands of the humblest Bible student, it is offered for a time by the publisher at if sent by post 3/5 should be remitted to cover carriage.

3/-;

It is requested that early application should be made for copies, as the supply at this rate is limited.

The following testimonials to the value of HOW TO MEET THE DIFFICULTIES OF THE BIBLE will show the esteem in which it is held.

"Each 'difficulty' is headed by its subject, and by the Scripture passage out of which it arises, and each paragraph contains a clear statement of the 'difficulty,' a suggested solution, and a recital of materials on which an independent judgment may be formed. As a book of reference, the work should be a valuable help to Bible students, Sunday School teachers, and others."—*Literary World.*

"The book contains a large mass of quotations from authorities on astronomy, astrology, magic, medicine, geology, geography, topography, natural history, ethnology, archaeology, and as the references are given in all cases, the book cannot but be valuable to students of the Bible."—*Dundee Advertiser.*

"Certainly a valuable book."—*Freeman.*

"A work of this kind is simply indispensable to conscientious teachers of that sublime morality which derives its sanction from the consistence and veraciousness of the Scriptures."—*Christian Age.*

"Contains a vast amount of information on many questions suggested by the study of the Bible. The information brought to bear upon the various subjects is thoroughly up to date and of the most useful character. In fact, the book will be found to be invaluable as a work of reference."—*English Churchman.*

"A most masterly piece of work, wherein, without dogmatism, all that is best and most helpful towards the solution of Bible difficulties has been collected and arranged in a very orderly way. We cordially recommend it to our teachers."—*Sunday School Magazine.*

"This is a useful book, all the more useful because the editor recognises that he cannot give a final answer to many of the difficulties of which he writes. The volume treats of the difficulties relating to history, ancient religion, language, and doctrine. Teachers will find the book to be very helpful."—*Daily Free Press.*

"Dr. Marcus Dods has produced a fine piece of work. His introduction is clear, careful, and decisive in its tone. We have found his notes stimulating and suggestive. They are marked by accurate scholarship and deep reverence."—*Guardian*.

"Dr. Bruce's commentary on the Synoptics is a notable piece of work. It is cheering and refreshing to find these books, with which our inner life is so closely bound up, treated frankly and honestly, as well as adequately, for English readers, and withal in so believing and reverent a spirit that the treatment need not repel the most orthodox. . . . All is set forth with great frankness and admirable common-sense, and often in racy language, not without an occasional Scottish flavour."—*Athenæum*.

"The first thing that strikes one when he takes up the volume on the Gospels is the uncommon handsomeness of the book. It is a joy to handle it and look into its pages. It is the very book to lure a student into reading. The form is so superb, the paper so choice and so light, the margins so delightfully broad, the type so clear and so tasteful. The two scholars to whom this volume has been committed are the very men for the work. Each is a master of his subject, and each has gone into his task *con amore*. . . A work worthy of the most cordial appreciation."—*Critical Review*.

CHURCH HOUSE, DEAN'S YARD, WESTMINSTER, S.W.

Late President.—HIS GRACE THE MOST REV. THE LATE ARCHBISHOP OF DUBLIN.

Ordinary.—THE RIGHT REV. THE LORD BISHOP OF SALISBURY, D.D.

Hon. Treasurer.—COLONEL WILLIAMS, M.P.

Bankers.—MESSRS. WILLIAMS, DEACON AND CO., 2, COCKSPUR STREET, S.W.

This Society exists to aid the Reformed Church of Italy. The Rev. Count CAMPELLO, Bishop Elect and Leader of the Reform Movement, was a Canon in the Vatican. In 1881 he voluntarily resigned his position for the sake of conscience, and now carries on the work of Church Reform, with Arrone, in Umbria, as his centre. The Reformers have rejected all the errors of the Church of Rome, having based their work on the teaching of the primitive Church, on lines similar to our own Church of England. The Committee earnestly ask for more Subscriptions to enable them to readily respond to the appeals they receive from the Italian Reformers.

Contributions may be sent to the Hon. Treasurer, c/o Messrs. Williams, Deacon and Co., as above, or to Rev. H. Hickin, Secretary, I.C.R.A., Church House, Westminster.

EXCESSIVE EATING AND DRINKING.

We all eat too much flesh food and drink too much tea.

The former militates against working energy, and the tannic acid and other deleterious properties to be found in tea lower the spirits and injure the health. The body, in fact, is a working engine, and as such it must be treated. The waste of tissue which daily goes on can only be replaced by the proper assimilation of food.

It cannot be done with medicine.

Science, however, has again come to the rescue, and it cannot be too widely known that tone and vigour can be promoted, and the rosy cheeks natural to health restored by the vitalizing and restorative properties of a most valuable discovery. The evidence of medical men and the public is conclusive on this point.

It proves that Dr. Tibbles' Vi-Cocoa as a Food-beverage possesses nutriment, restorative and vitalizing properties, which have hitherto been non-existent.

It aids the digestive powers, and is invaluable to tired men and delicate women and children.

It has the refreshing properties of fine tea, the nourishment of the best cocoas, and a tonic and recuperative force possessed by neither, and can be used in all cases where tea or coffee are prohibited.

It is not a medicine, but a unique and wonderful food-beverage.

Dr. Tibbles' Vi-Cocoa is made up in 6d. packets, and 9d. and 1s. 6d. tins. It can be obtained from all Grocers, Chemists and Stores, or from 60, 61, and 62, Bunhill Row, London, E.C.

As an unparalleled test of merit, a dainty sample tin of Dr. Tibbles' Vi-Cocoa will be sent post free on application to any address, if, when writing (a postcard will do), the reader will name THE CHURCHMAN.

BEFORE SIXTY YEARS AGO.

The special claims of the SOCIETY FOR PROMOTING FEMALE EDUCATION
IN THE EAST to recognition are:

- (1) That it was the only Society for both Zenana work and School work existing in the Empire at the time of the Queen's Accession.
- (2) That it was then already carrying on Zenana work, Harem work, and School work, in China, the Straits, Egypt, and India.
- (3) That it was the pioneer of all subsequent efforts in Zenana and Harem work, for which it prepared the way, by encountering and, to a certain extent overcoming, the greatest initial difficulties.
- (4) That it still occupies a wider sphere than any kindred Society in existence.
- (5) That by the help of God it has continued steadfast unto this day "in the Apostles' doctrine," and in the work of sending the Gospel to the heathen women and girls of the East.

The Committee urge these claims, and appeal for help to their Commemoration Fund, to enable them to strengthen and extend the work of the Society.

No Party considerations affect the appropriation of the Funds.

Contributions will be thankfully received by the Secretary (Rev. Paul Petit) at the Society's Office, 39, Victoria Street, Westminster. Cheques should be crossed "Coutts & Co."
