Crown 8vo., Illustrated. Price 3s. 6d.

"A very interesting and instructive book."—*Methodist Times.*

"This is theology. This is God and the doctrine of God, and that it is revealed through Nature makes it not the less true and not the less a revelation. This is the theology to which the modern mind will listen. That it is expressed in terms of science rather than philosophy makes it more acceptable, and does not make it less true."—*Expository Times.*

"It is very refreshing to find a man who thinks for himself, expresses himself in a novel and unconventional style, and whose treatment compels his readers to follow him closely and weigh him carefully. The book is illustrated by several admirable plates, and the lectures are full of thought-provoking matter."—*Record.*

"A most interesting book. . . . Thoughtful readers will much enjoy the various definitions scattered throughout the book."—*Church Family Newspaper.*

"It is refreshing to read so delightful a book, written by one who is evidently an accomplished student of science."—*Examiner.*

"The most important volume dealing with the relations of Religion and Science since the late Professor Henry Drummond's 'Natural Law in the Spiritual World,' and 'The Ascent of Man.' . . . The lines of thought are firmly drawn, and the scientific illustrations are admirable. . . . All readers will unite in appreciation of the author's clear and vigorous style—sometimes rising to real, though restrained, excellence—and of the plates and diagrams illustrating the argument, which are excellently produced."—*Presbyterian.*

THE GOAL OF THE UNIVERSE

or, *The Travail of the World's Saviour.*

By **S. W. KOELLE, Ph.D.,**

Author of "Mohammed and Mohammedanism Critically Considered."

EXTRACT FROM PREFACE.

THE book containing the record of God's revelations begins with the creation of man, but immediately follows the statement that, by the creature's own failure in a testing time, sin has entered into the world, and brought with it a long train of evils, including death. These opening portions of the Bible furnish the necessary light for the right apprehension of all later developments in the history of the human race. What follows in the Sacred Word is a record of the various measures adopted by the Creator for the recovery of His creatures and the restitution of His world to its original 'goodness.' The religion of the Bible is a religion of restoration; its central figure is a 'Saviour'; it is the Creator become the Saviour.

VITAL RELIGION;

OR,

The Personal Knowledge of Christ.

BY

Rev. G. H. S. WALPOLE, D.D.,

Principal of Bede College, Durham.

"The keynote of this interesting and beautiful book is the thought that religion is essentially the life of friendship and intimacy with God revealed in Jesus Christ. . . . We have no hesitation in saying that Dr. Walpole has given us a work of real spiritual value, and we heartily commend it to all thoughtful readers, especially to those who lament the 'decay of experimental religion.' The present volume is a solid contribution to the solution of the problem how 'to find a basis for faith in actual experience.'"—*Guardian*.

"Dr. Walpole writes with a true moral passion. He pleads for a deeper, more intimate, more vital knowledge of God. Nothing could be more appropriate in a series calling itself 'The Church's Outlook for the Twentieth Century' than a volume like this, that sends us back to the fountain and source of all spiritual life."—*New York Churchman*.

"The perusal of that high-toned book has been to us a source of refined pleasure."—*Weekly Leader*.

"We must congratulate Dr. Walpole on having produced a very valuable work. It is of supreme importance that the personal element in religion should not be neglected, and that due attention be paid to the development of inner spiritual life. Dr. Walpole calls attention to real needs, and he gives excellent advice as to the means of satisfying them."—*Pilot*.

"No one who wishes to follow his argument will regret the half-crown it costs, so exceedingly helpful and uncommon is his treatment of the profoundest of all subjects—Living union with our Living Lord."—*Church Bells*.

"This is a fresh and interesting presentation of a perennially important subject. . . . The book is characterized by a spirit of true devotion to our Lord, and is marked throughout by earnestness of thought and appeal."—*Life of Faith*.

"Contains many new and helpful thoughts."—*Mission Field*.

"It has the tone of sincere and earnest piety and the ring of honest conviction. In other words, we like the book and we like the personality which seems to lie in peace and confidence behind it."—*Saint Andrew*.

"There is a deal of force in the author's words about marriage, the shams of so-called worship, prayer, attitude, and daily duty."—*Family Churchman*.

"Many and weighty thoughts are expressed on the subject, which deserve careful consideration."—*Liverpool Mercury*.

BYGONE DAYS: a Story of Village Life.

By JNO. T. PROCTOR. In crown 8vo., cloth, price 3s. 6d. net.

The story is written to illustrate the manners and customs, religion and superstition, of Lincolnshire village life in the early part of the nineteenth century, the redeeming and elevating influence of love in the lower circles of human society giving the picture a bright and cheery tone. Although the characters and places are disguised, neither they nor the incidents narrated are fictitious, but real, and drawn from the writer's personal experience. Many of them will, no doubt, be recognised by older people still living in the district.

THE COLLIERS OF WINDY HILL:

Crucial Moments in a Welsh Village.

By WILFRID SPARROY,

 Author of "*Persian Children of the Royal Family*."

WHEN the curtain rises Myfanwy Phoenix is dead, but her memory lives on, influencing the lives of her friends at crucial moments. Thus the story is episodal; it is also dramatic, impersonal, a bit of life in a field that is fresh to modern literature. The scene, which is laid in a Welsh colliery village, is suggestive of the Celtic spirit, with its earnestness of outlook and its unswerving faith in the realization of its dreams.
